

# Systèmes d'intelligence artificielle

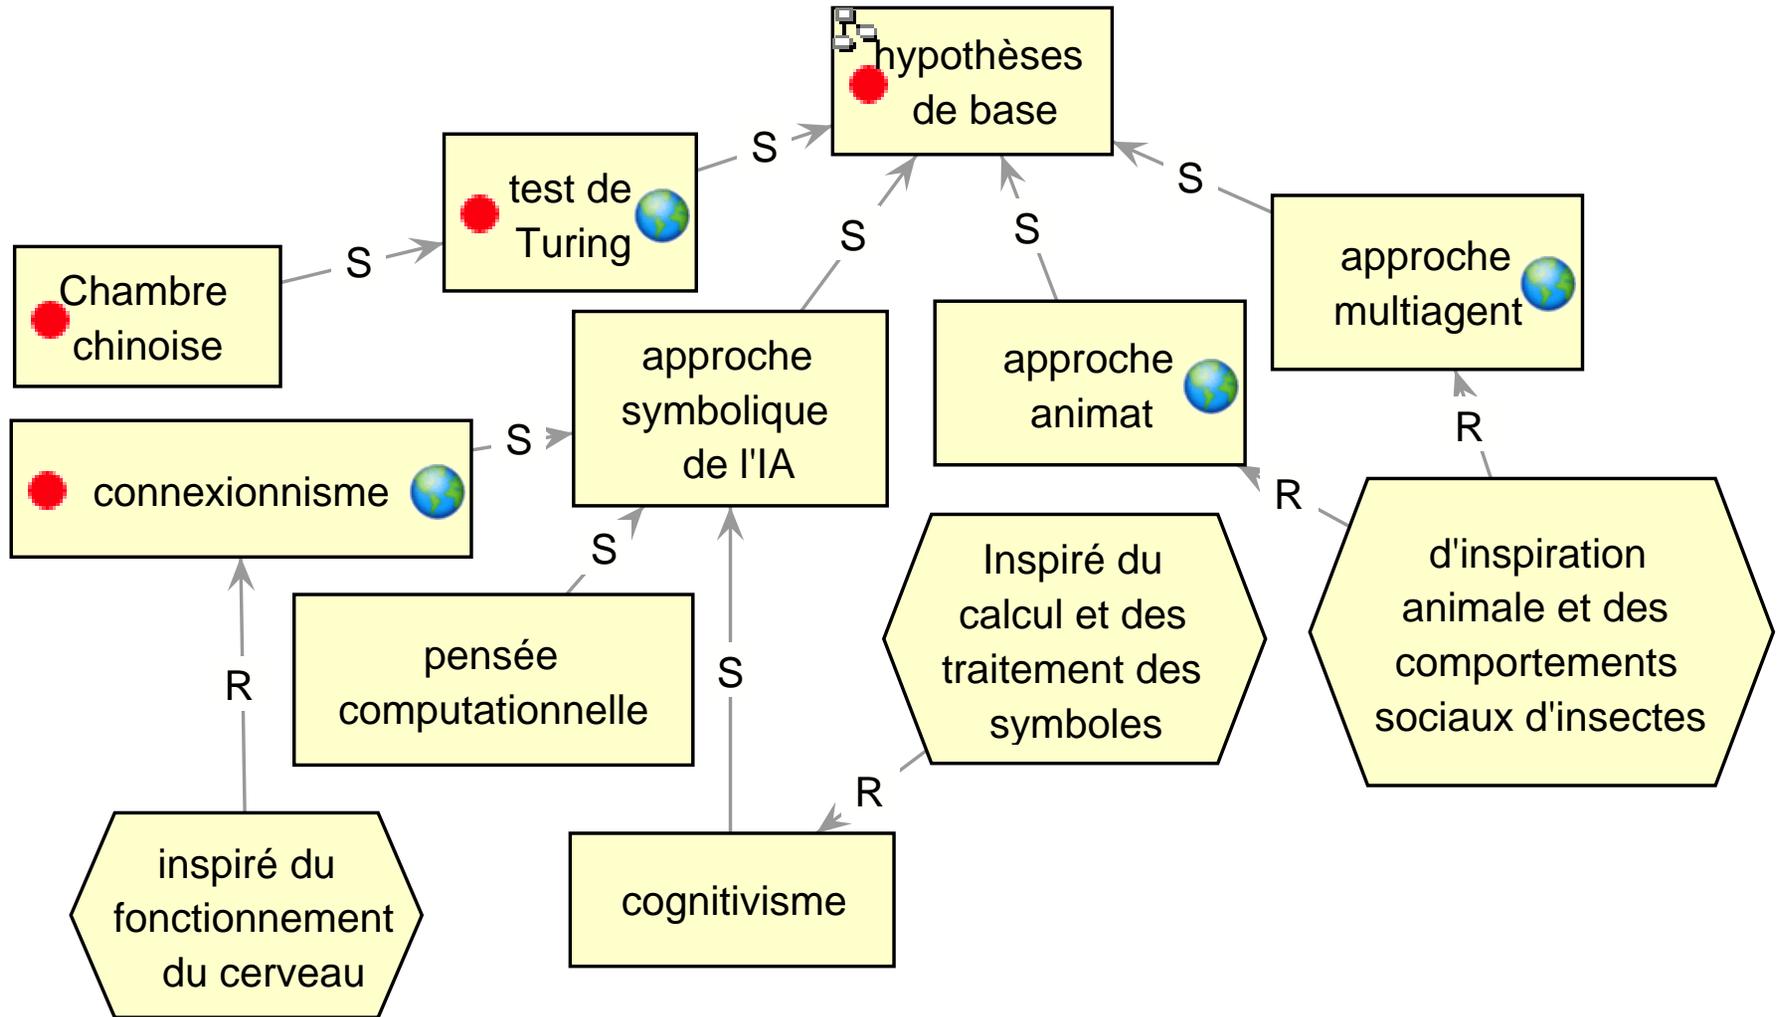

systèmes à base de connaissances (SBC)

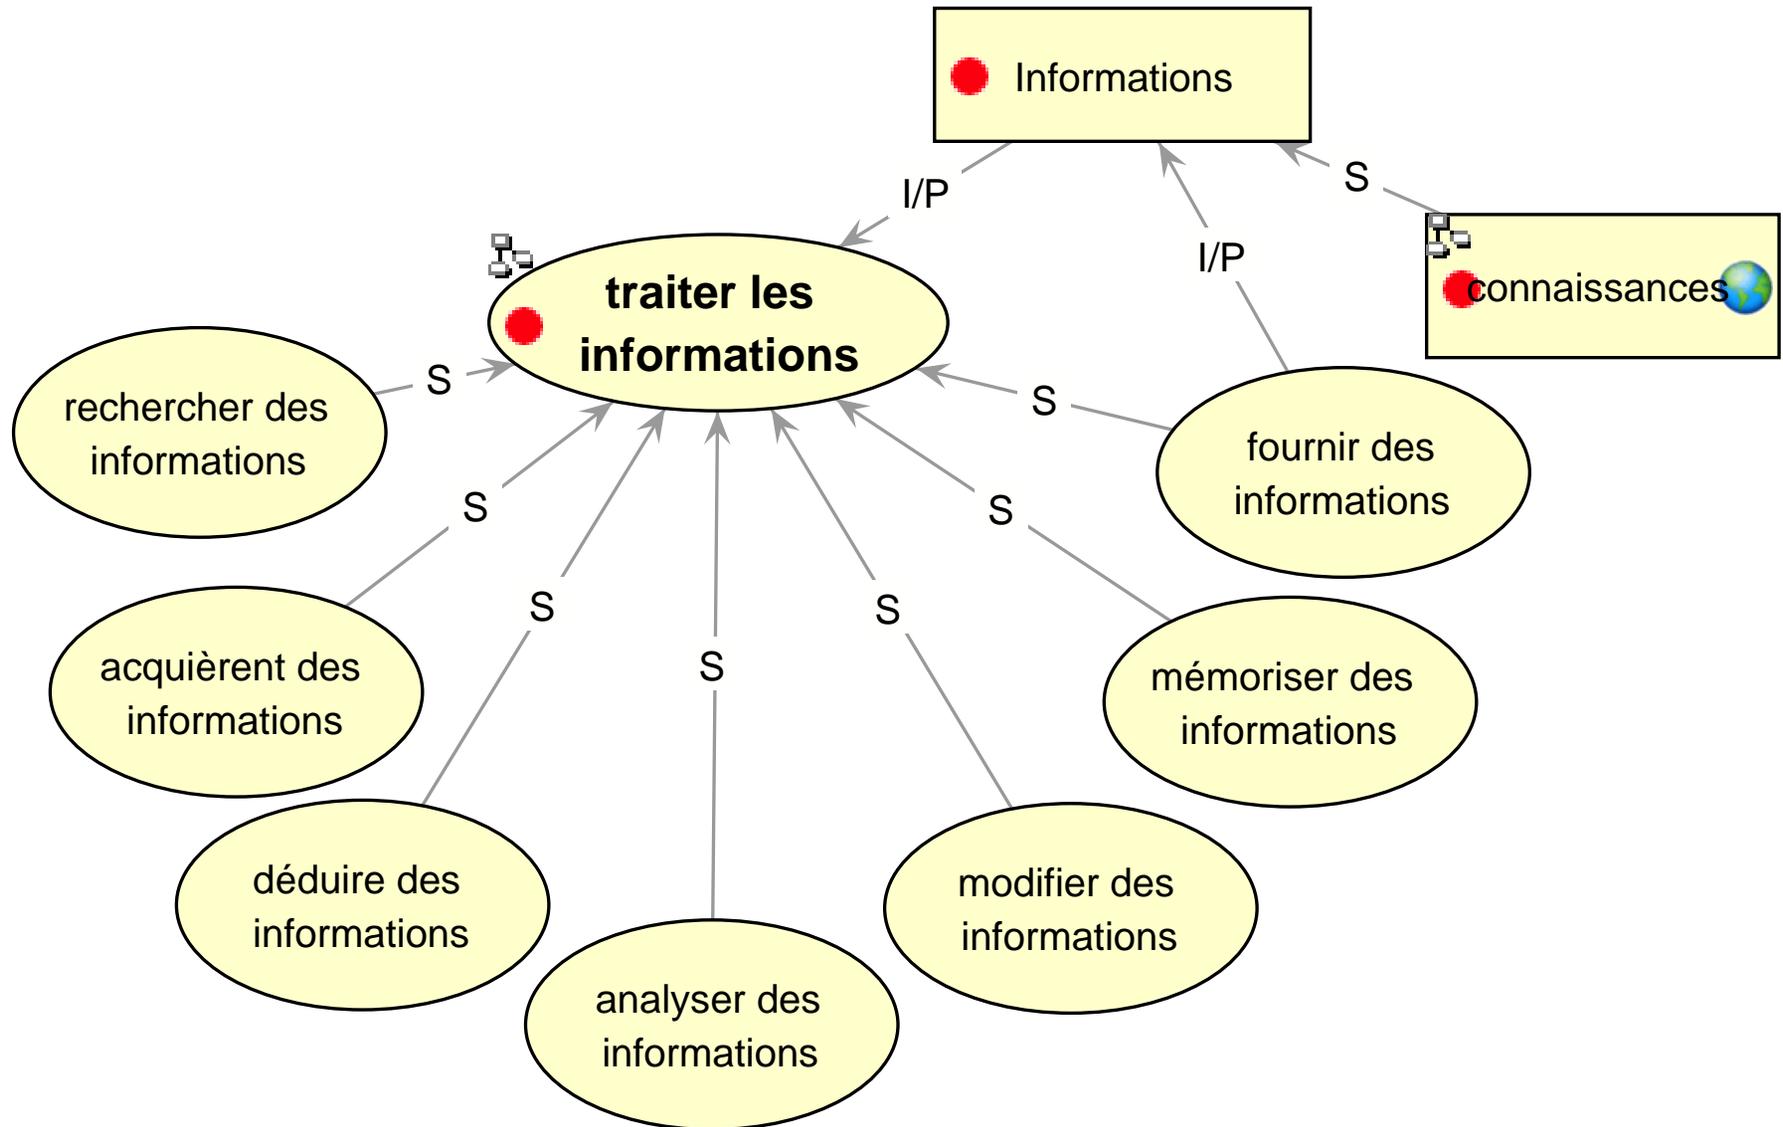

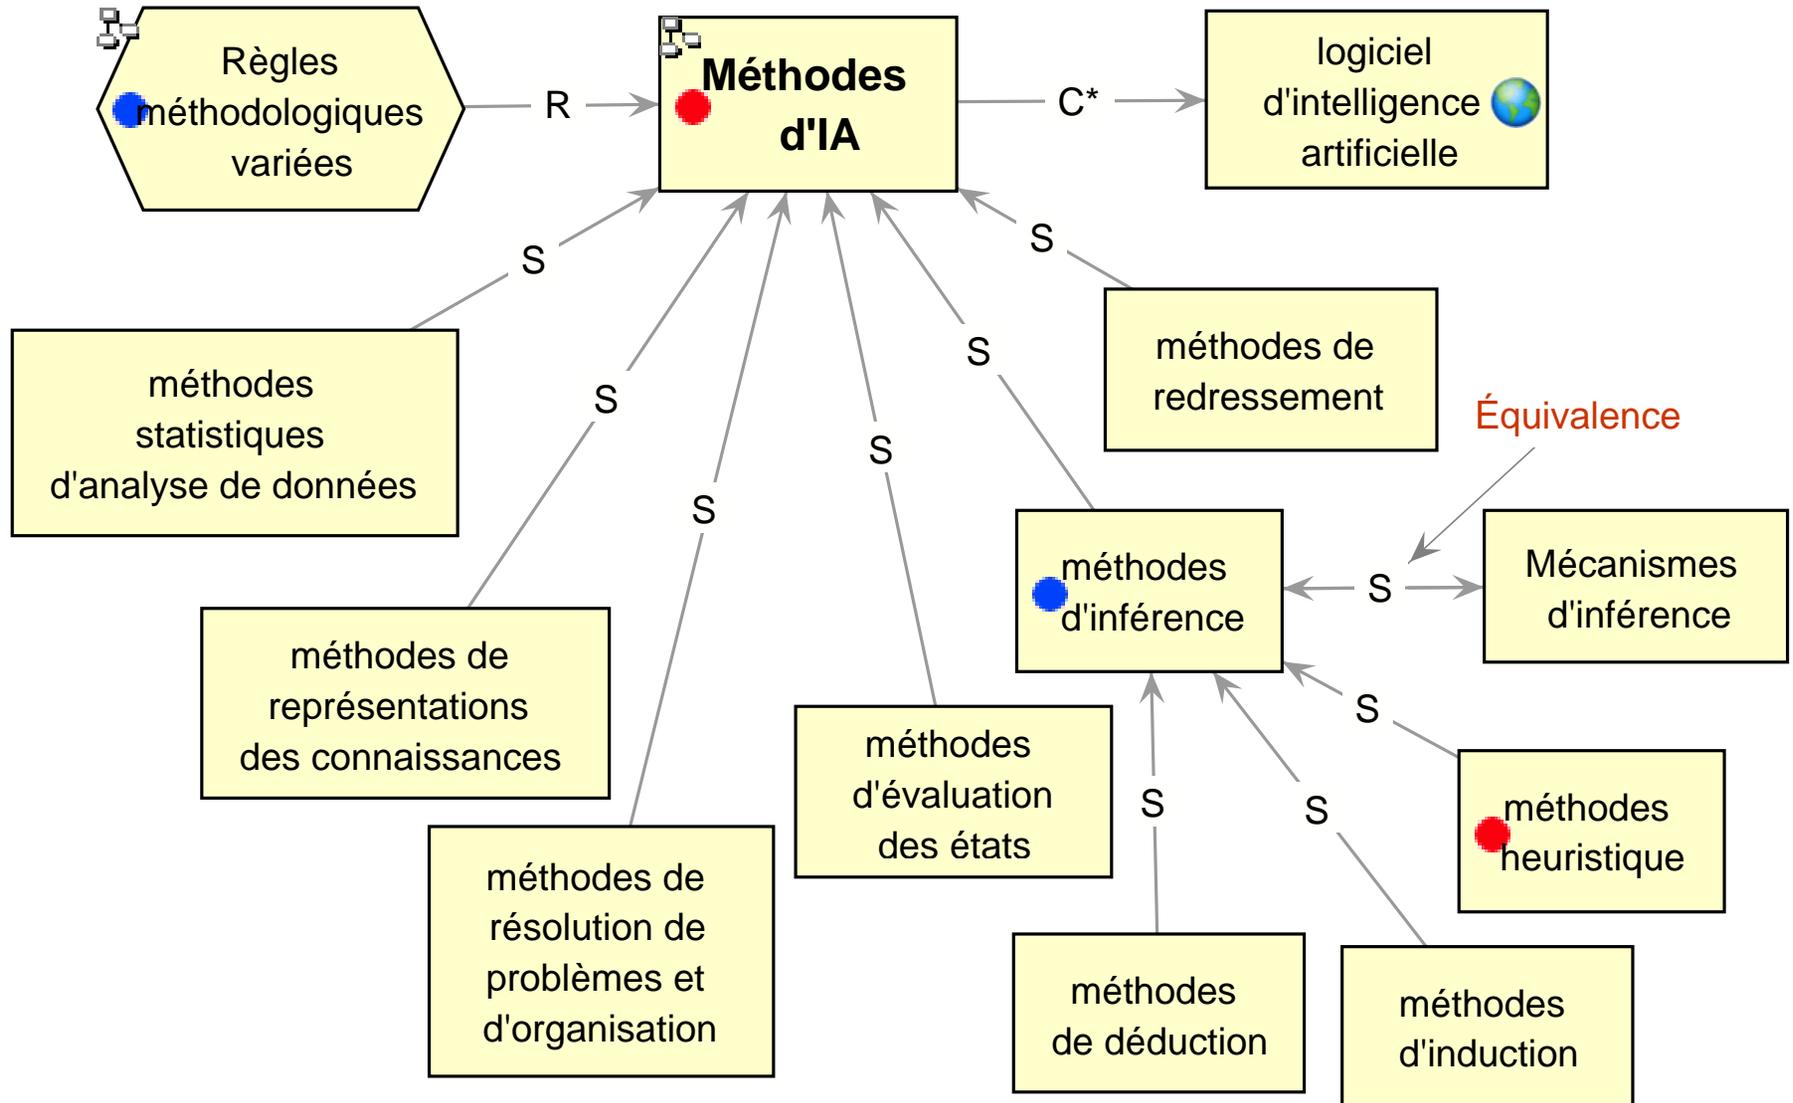

hypothèses de base

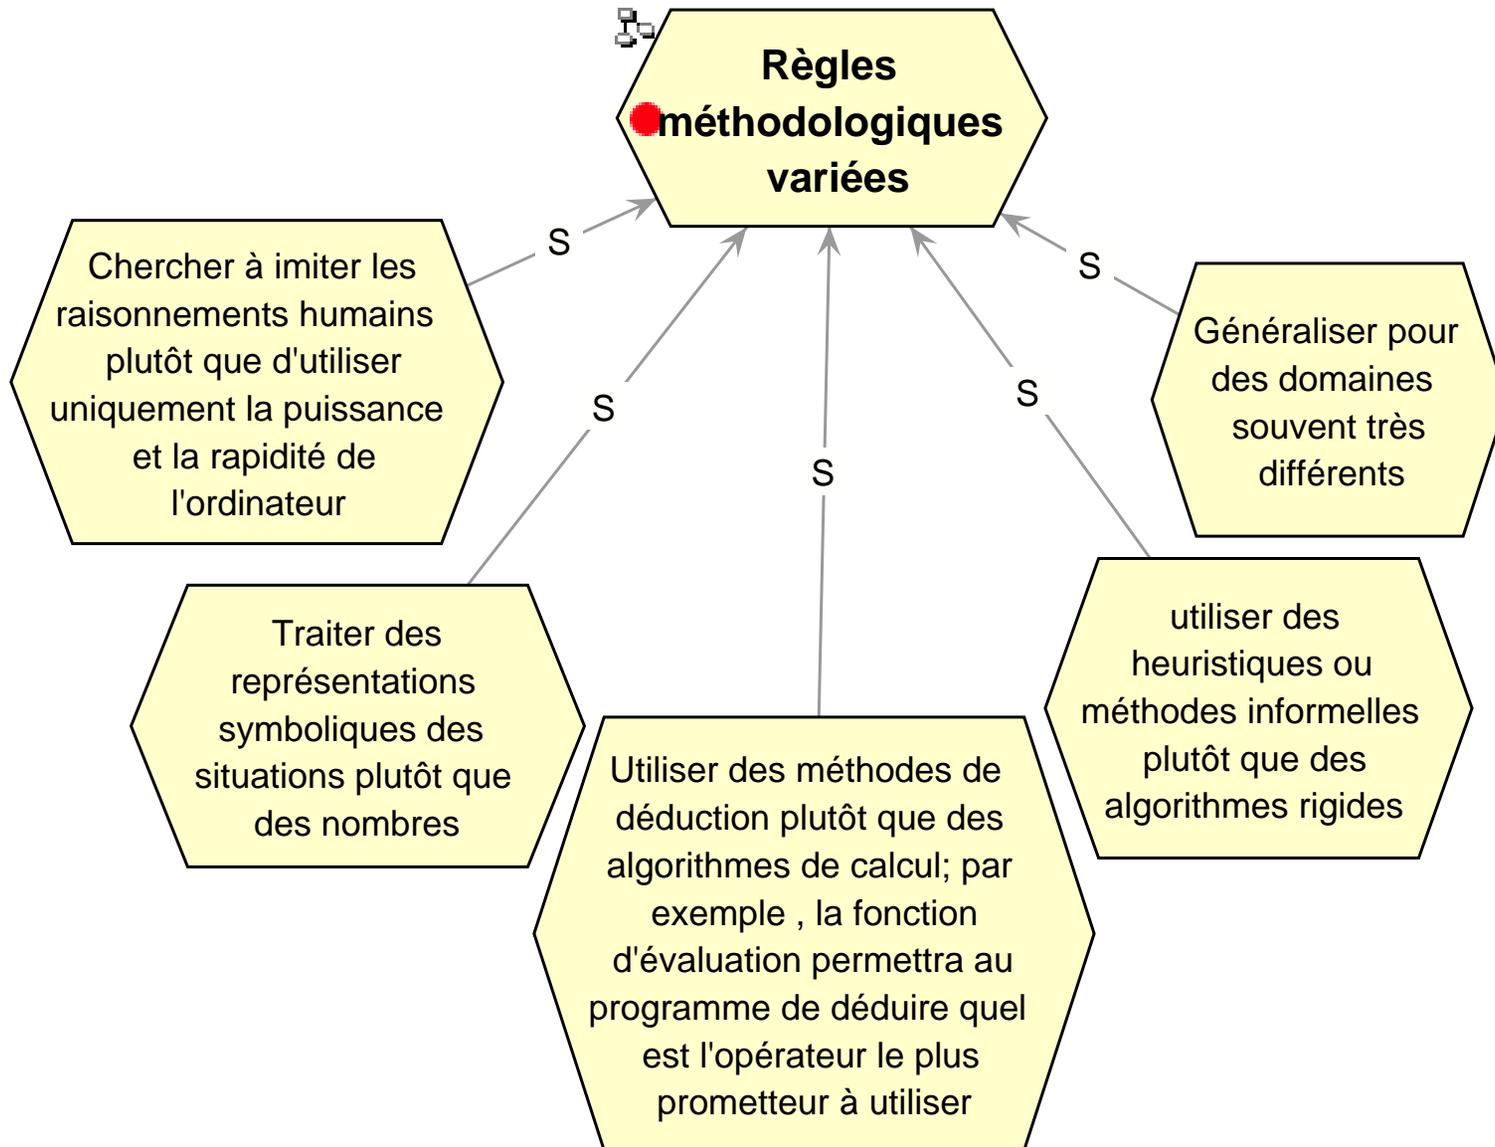

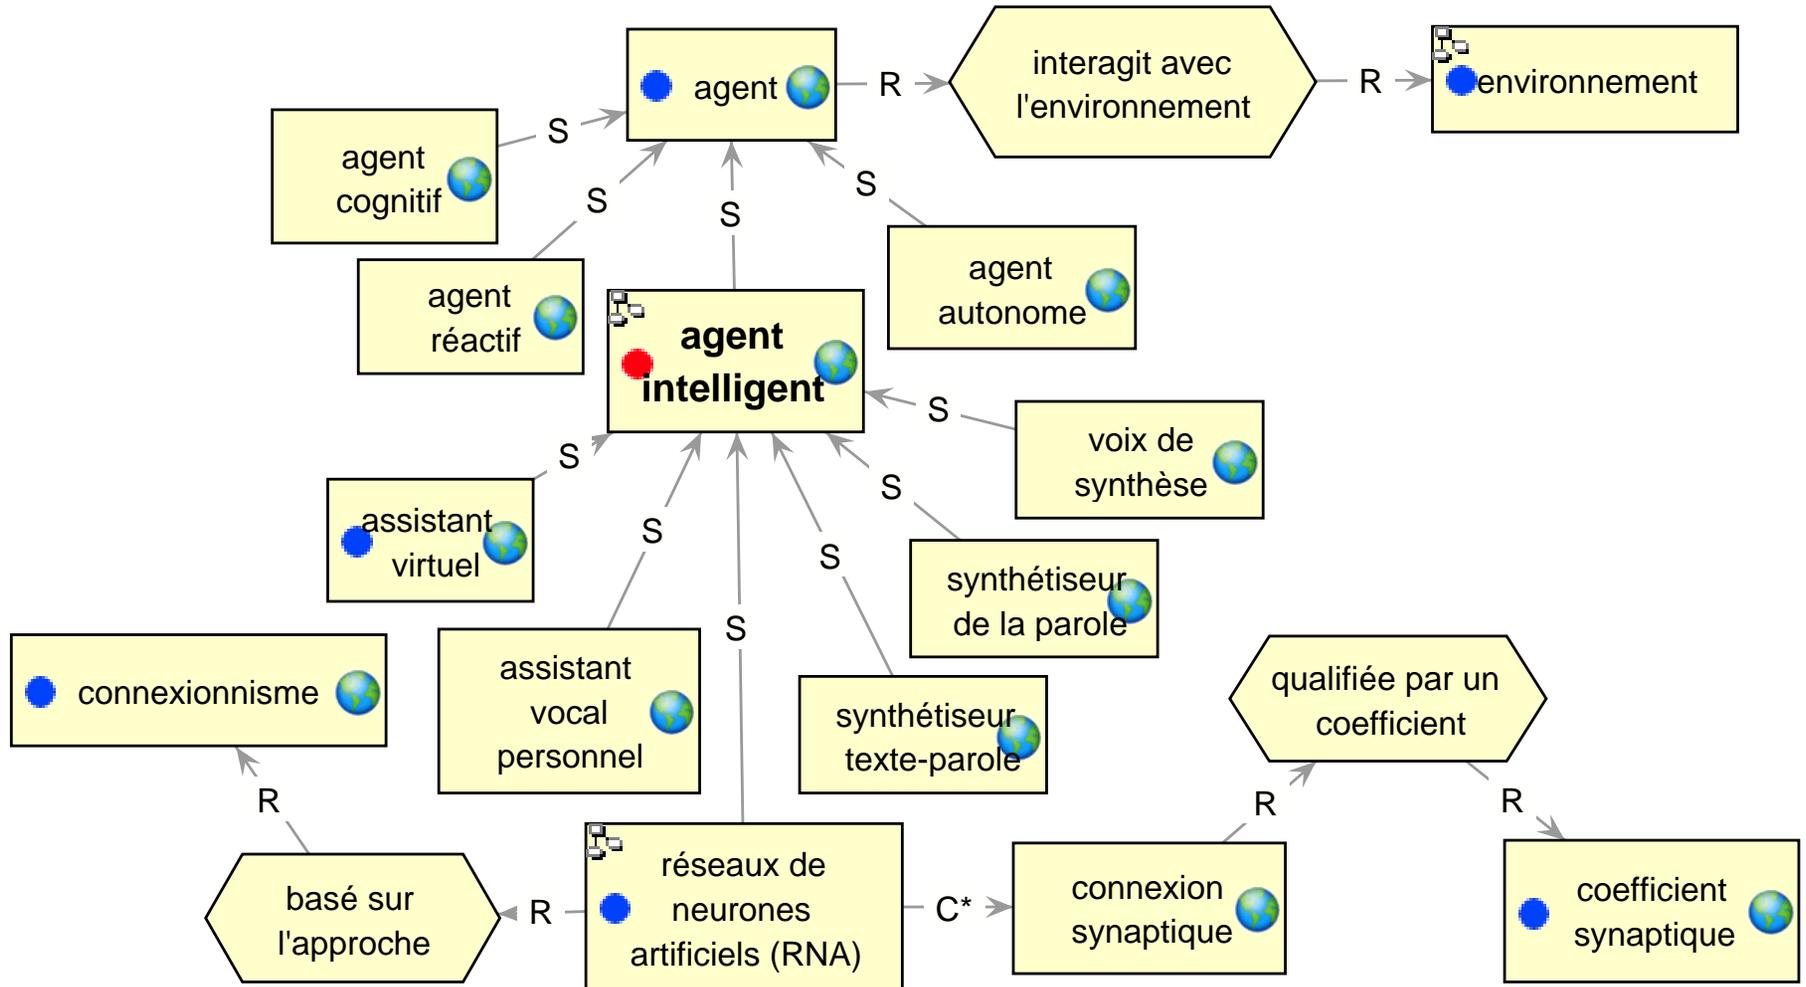

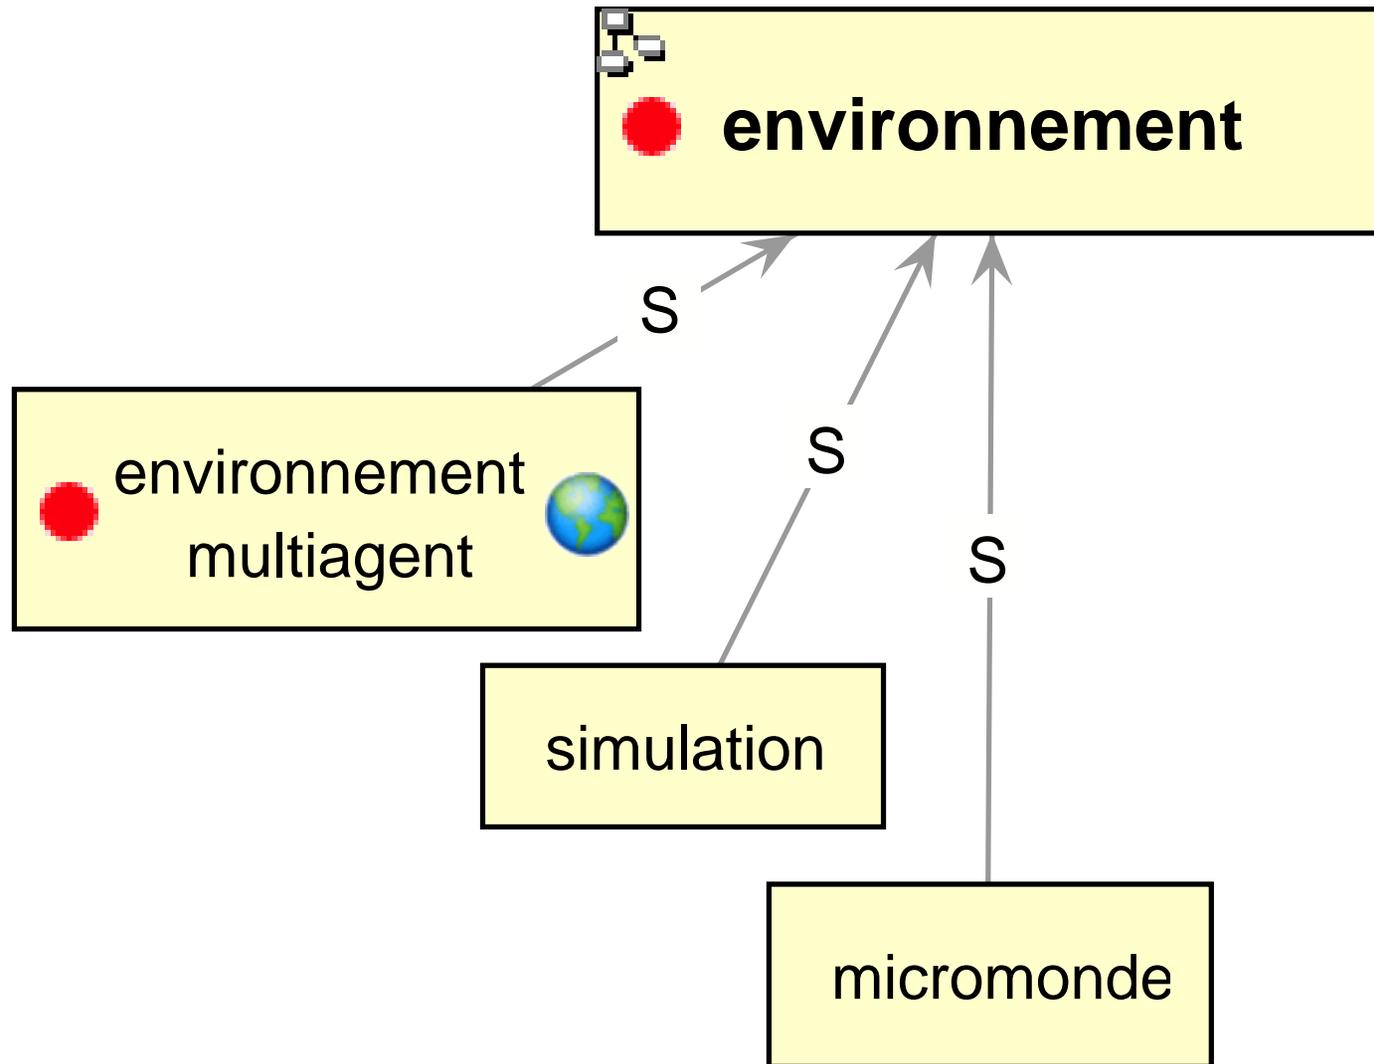

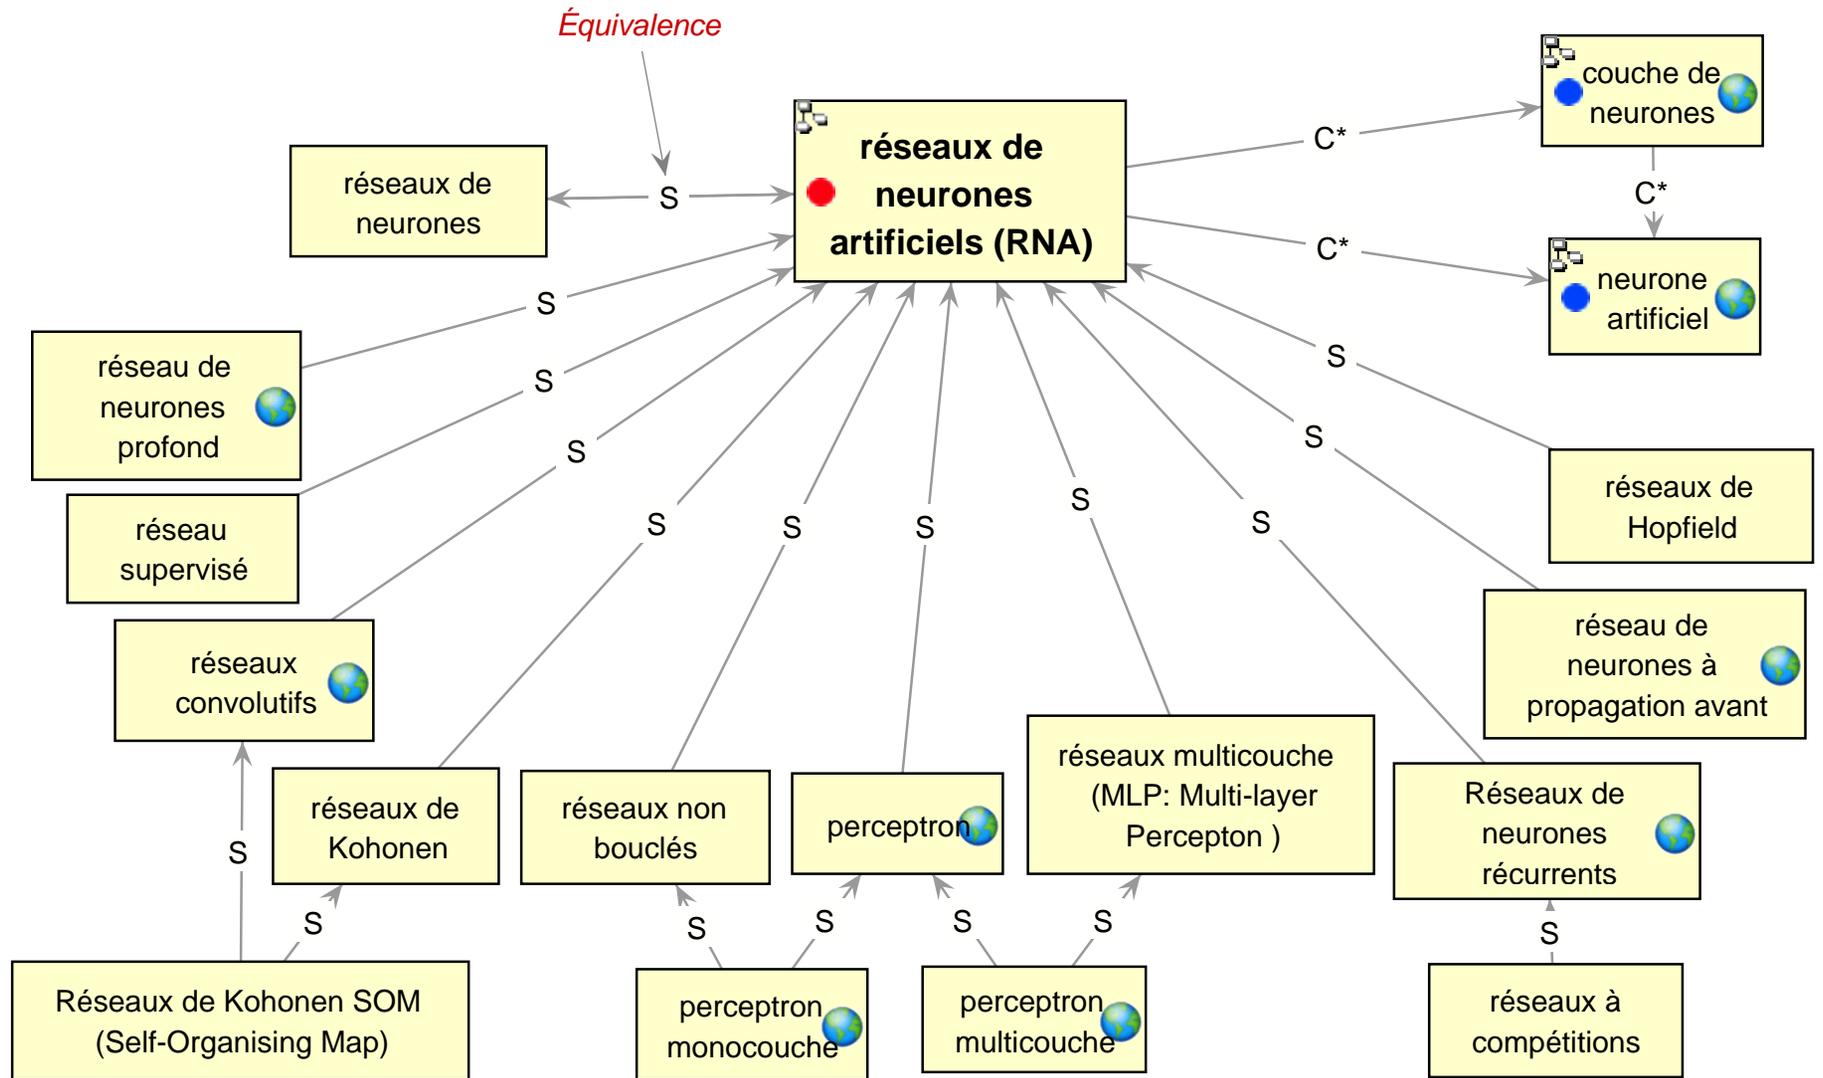

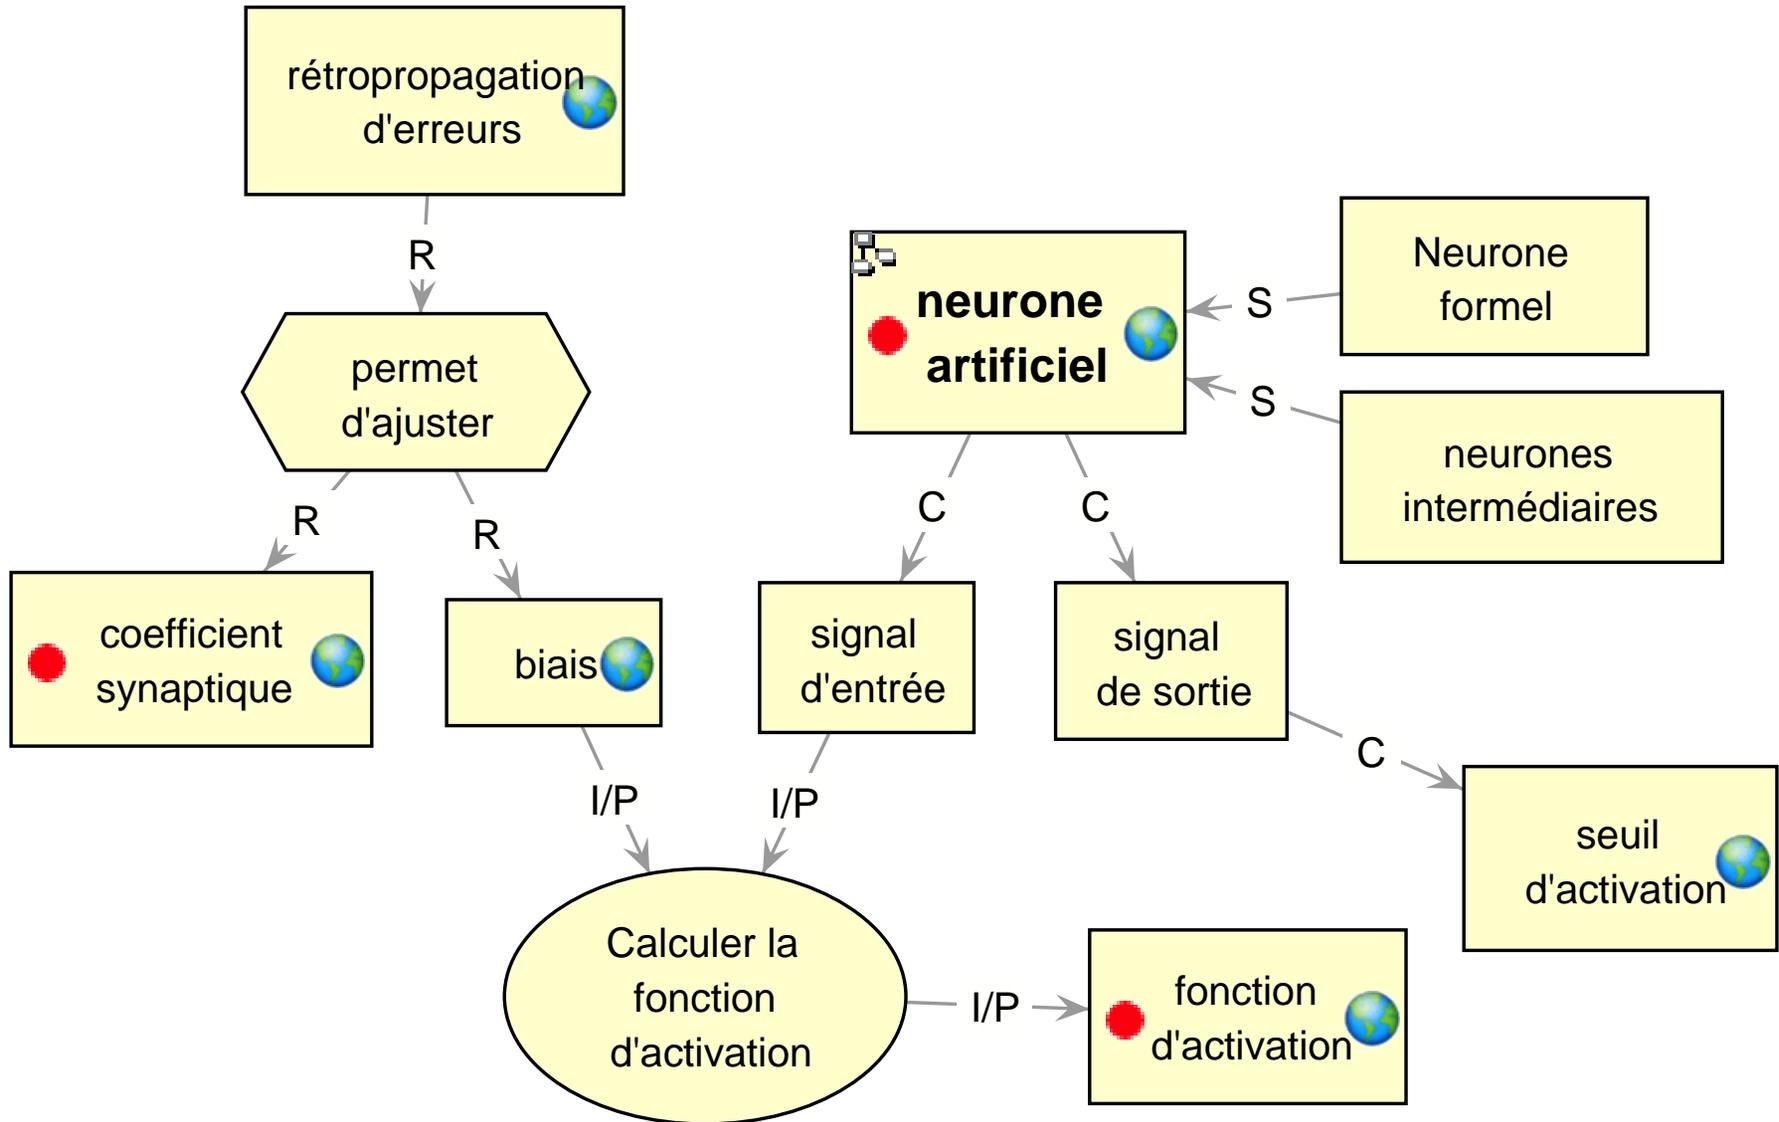

agent intelligent

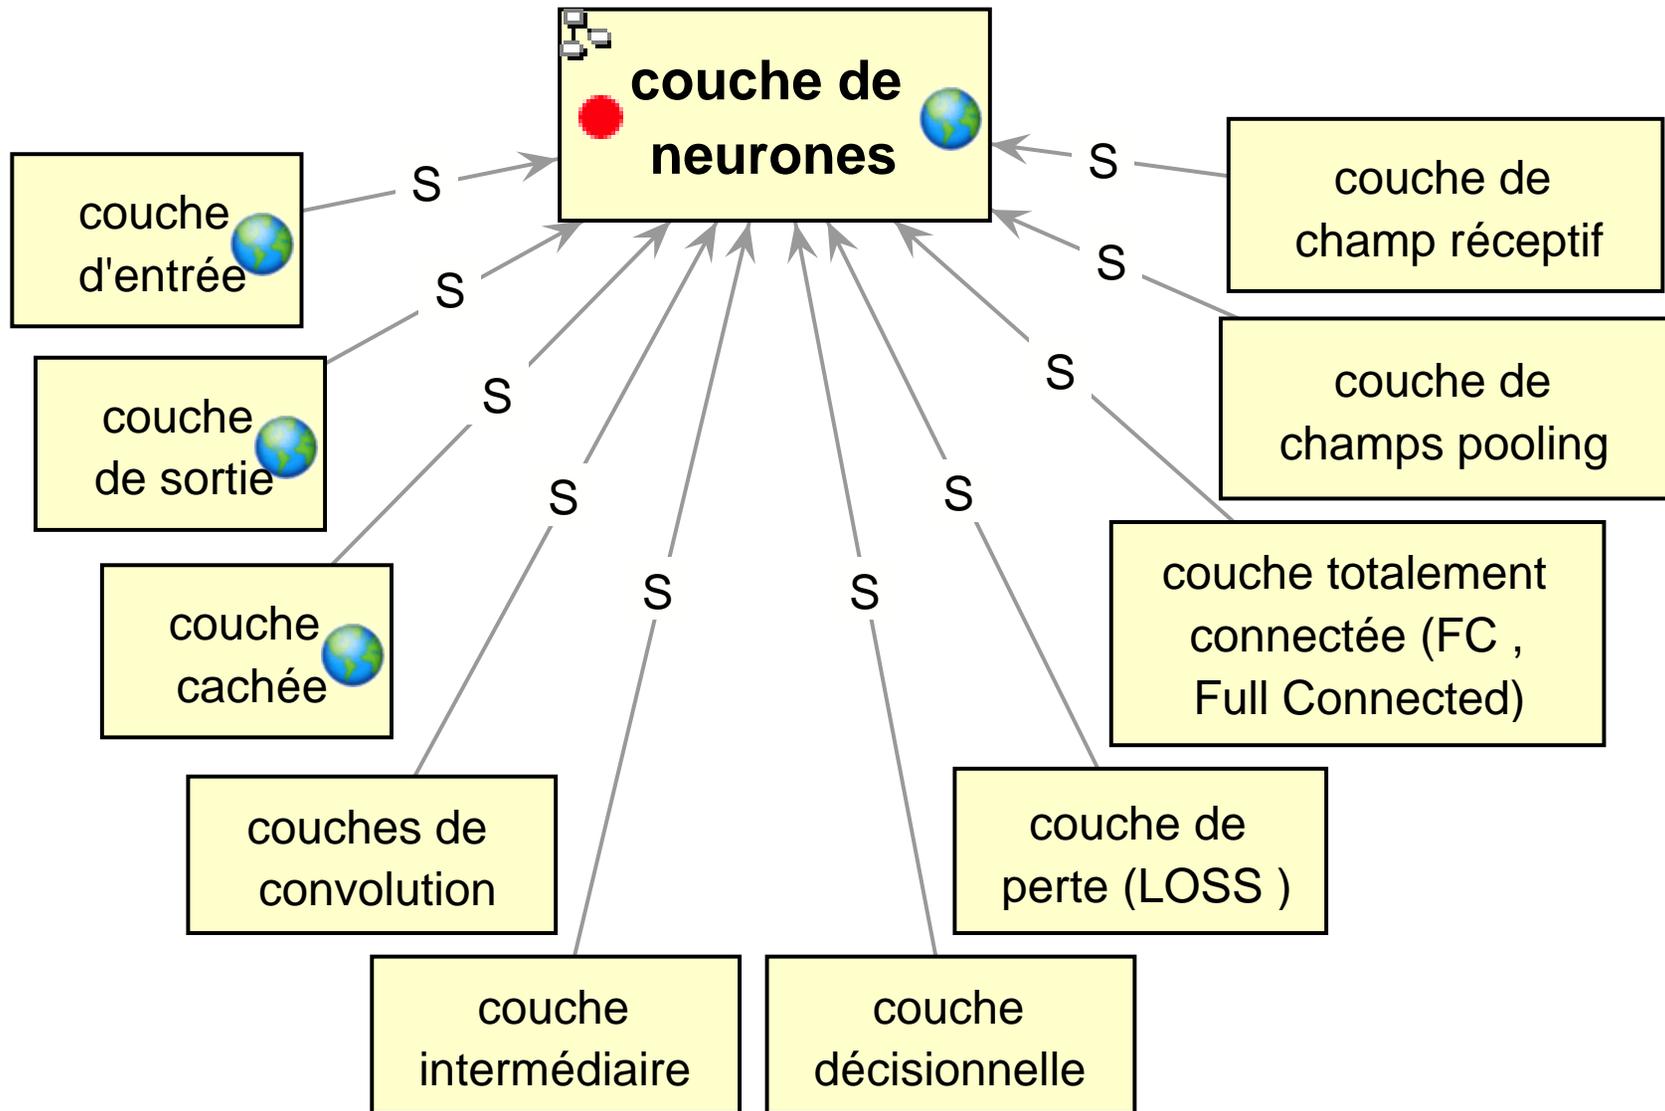

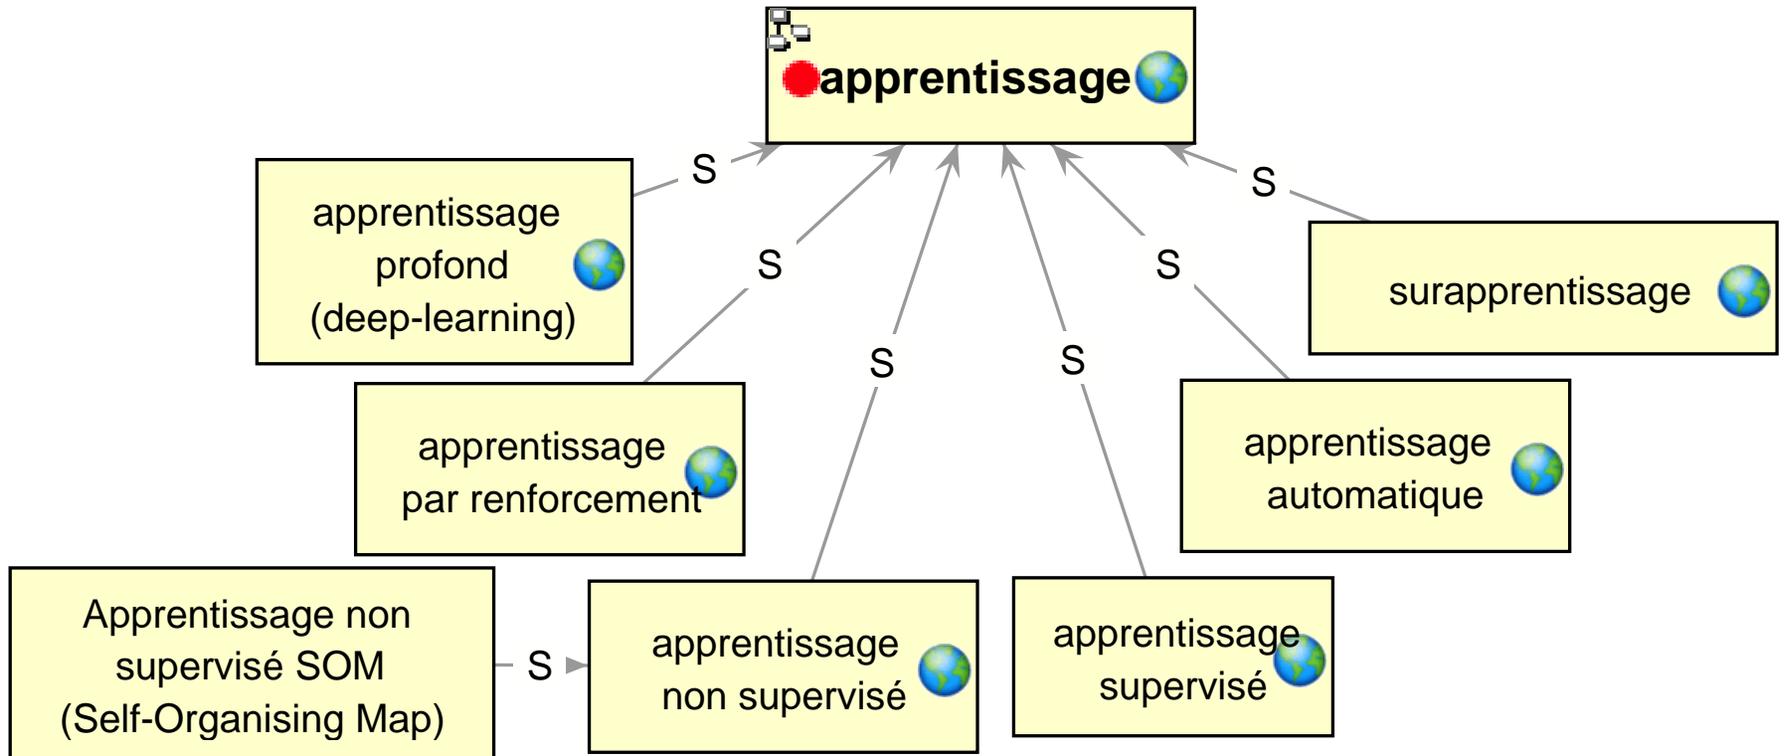

réseaux de neurones artificiels (RNA)

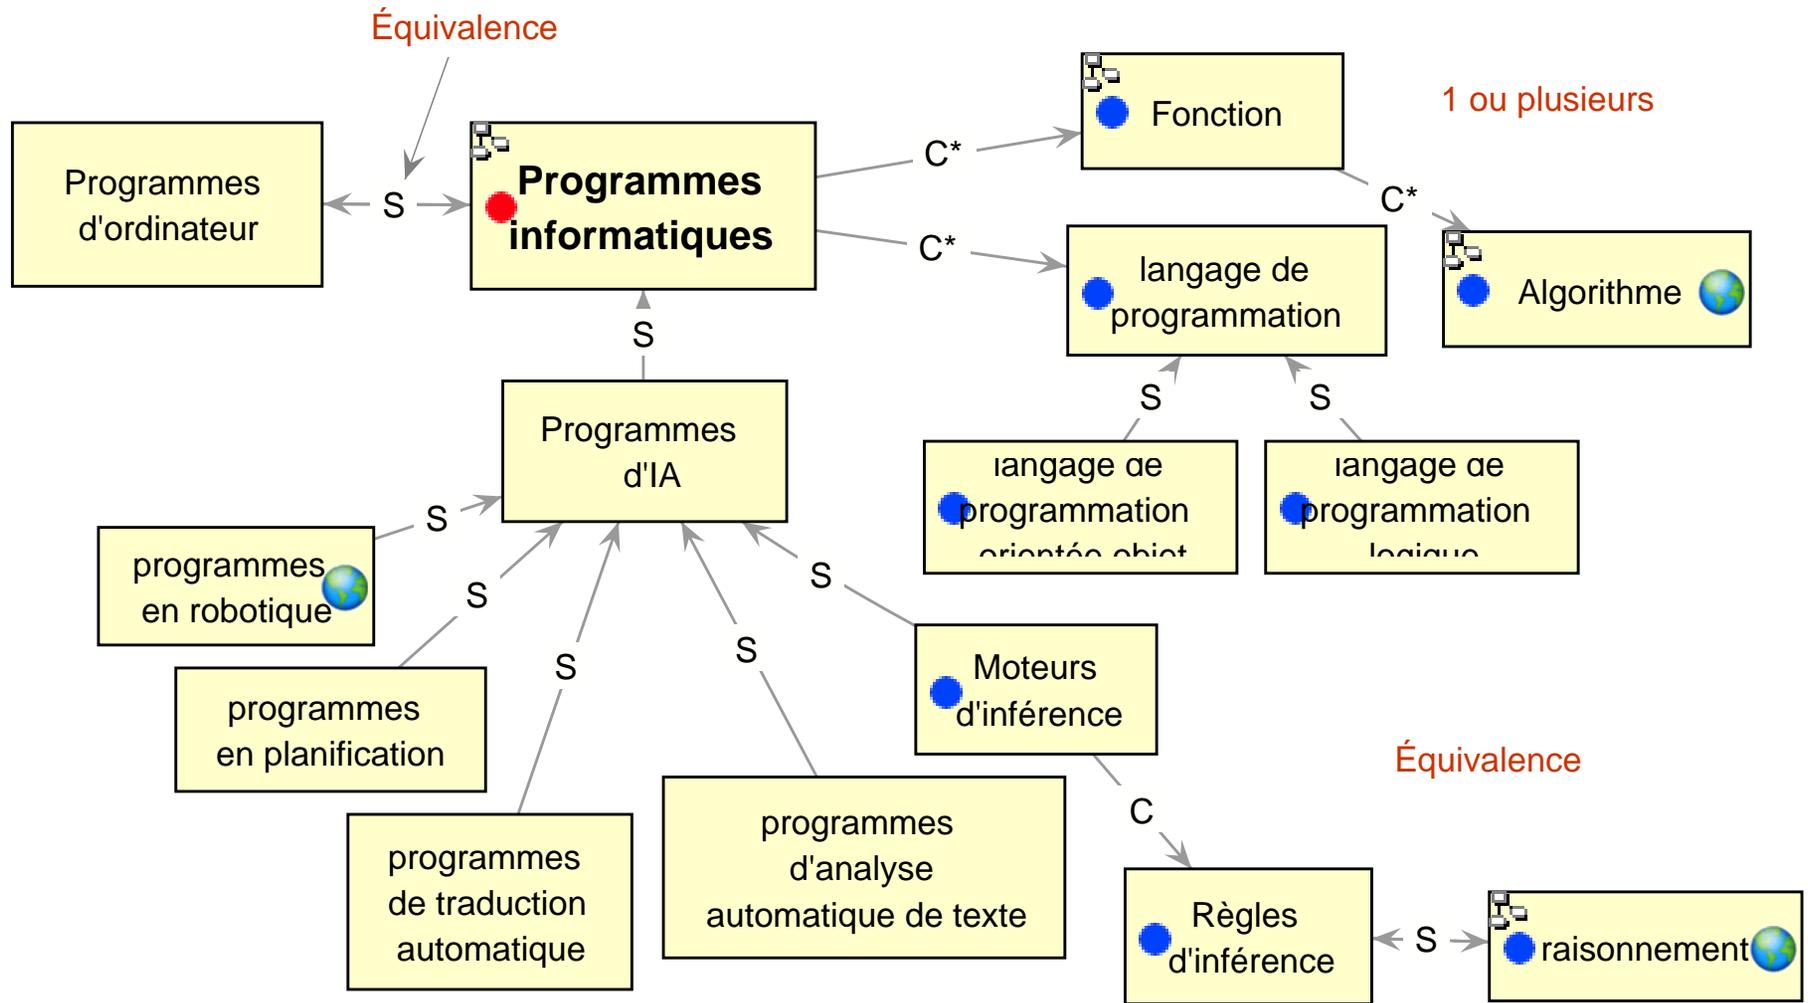

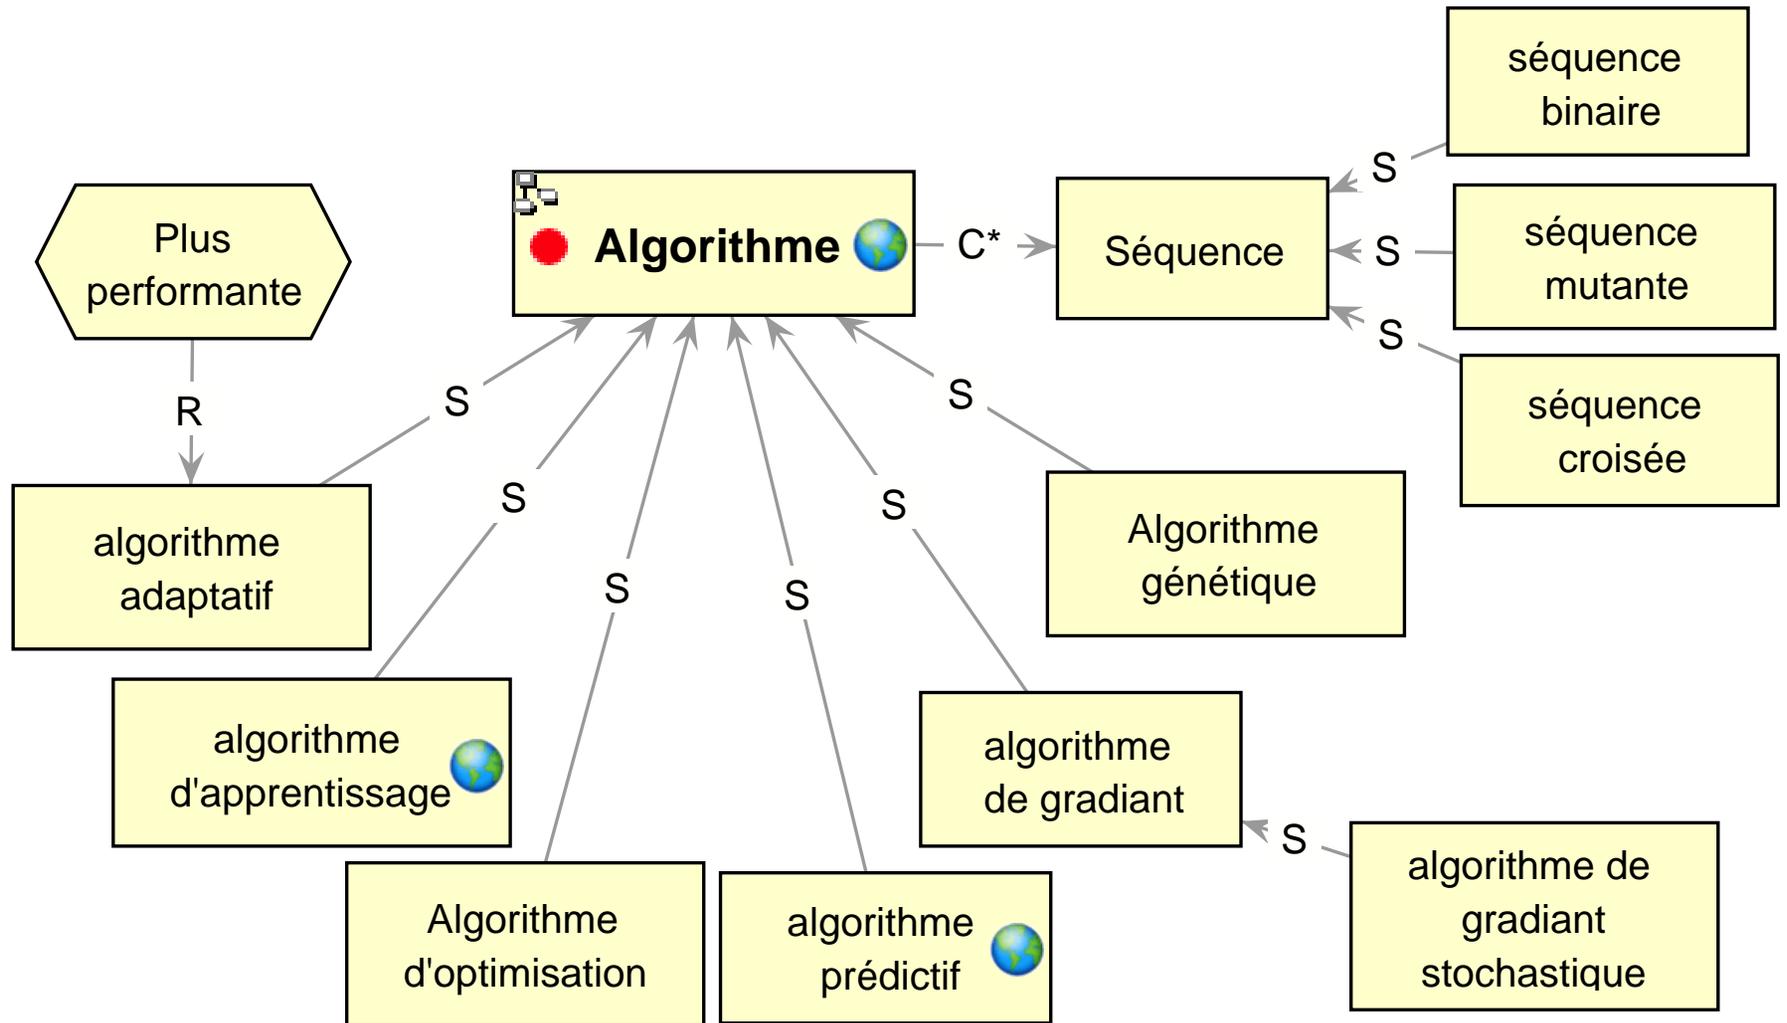

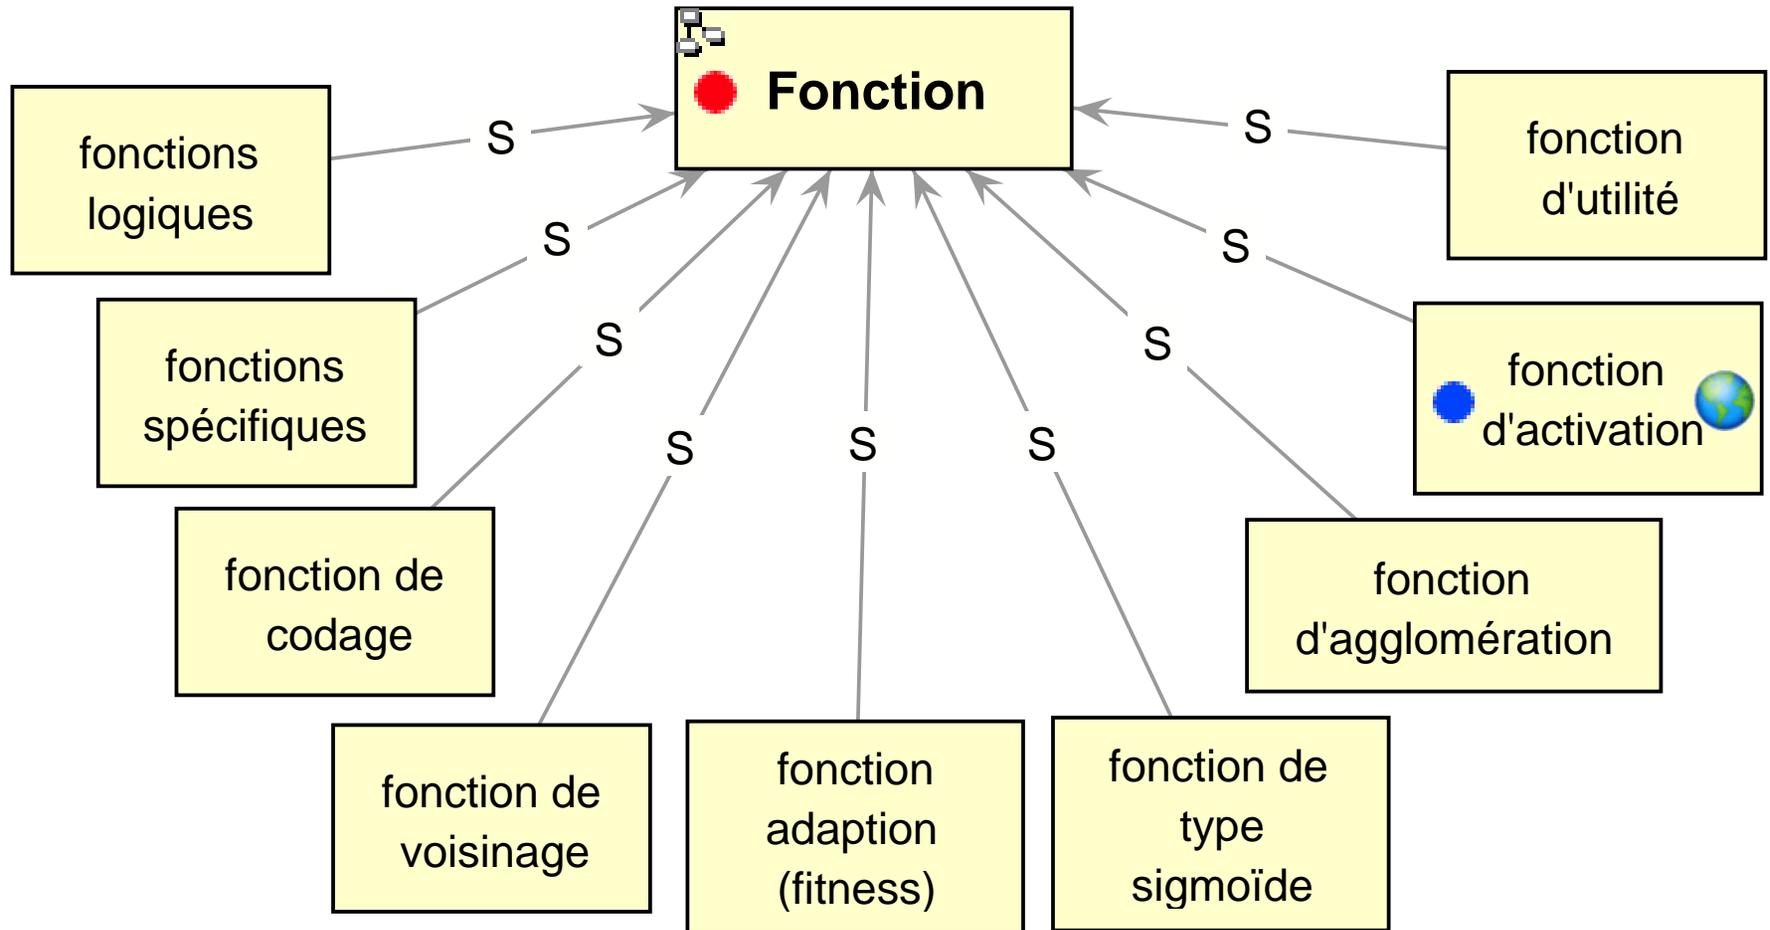

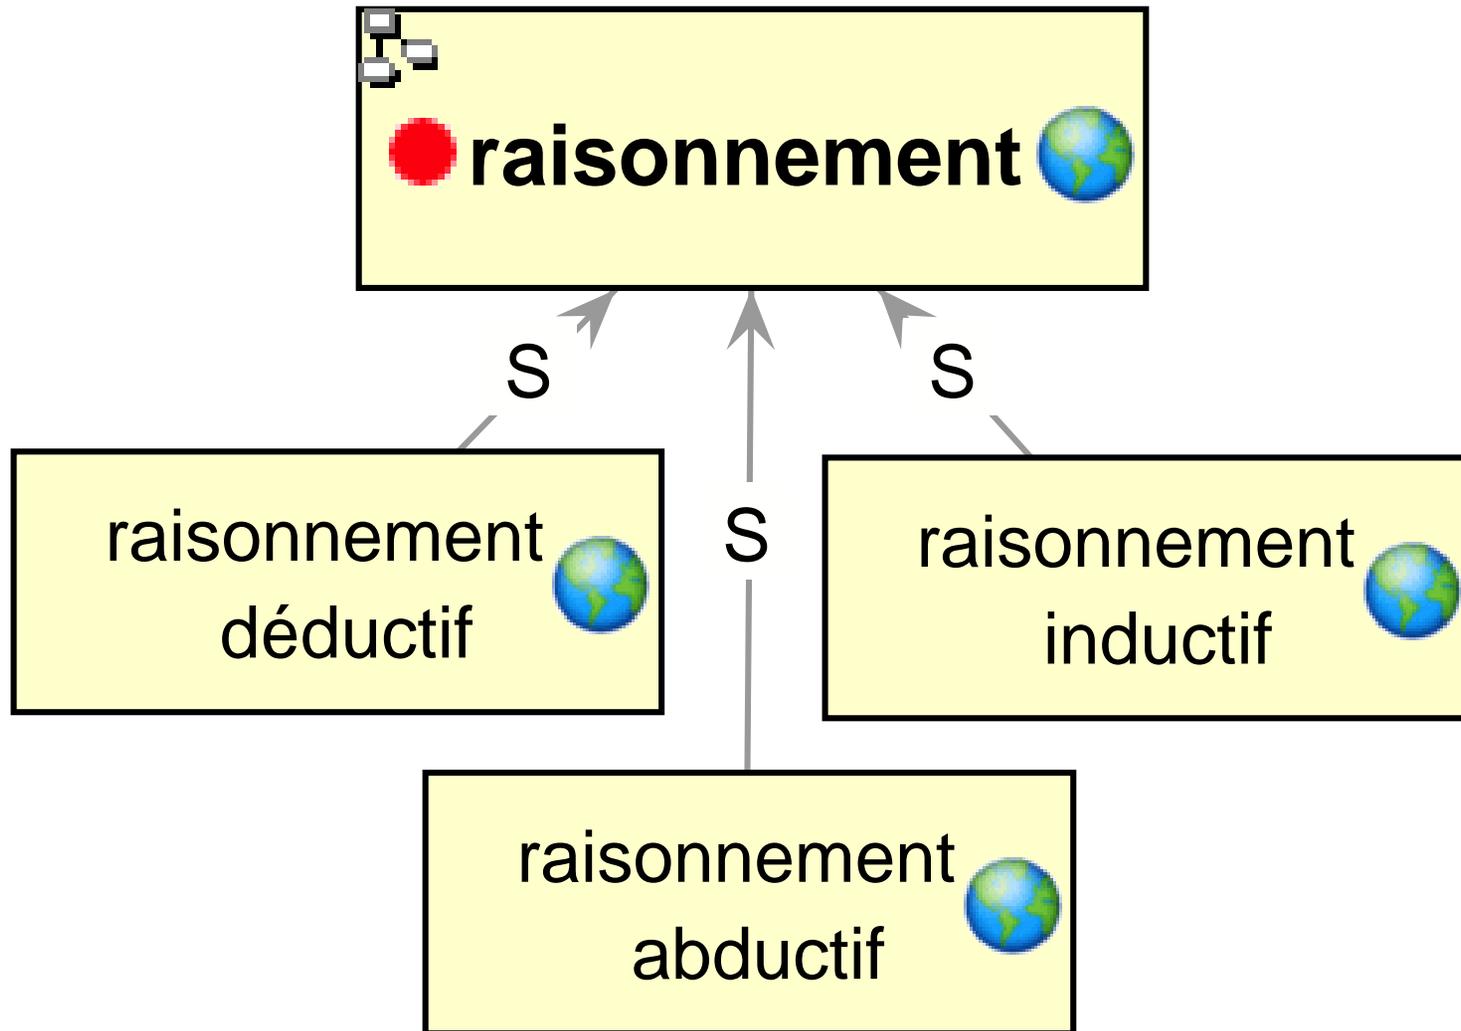

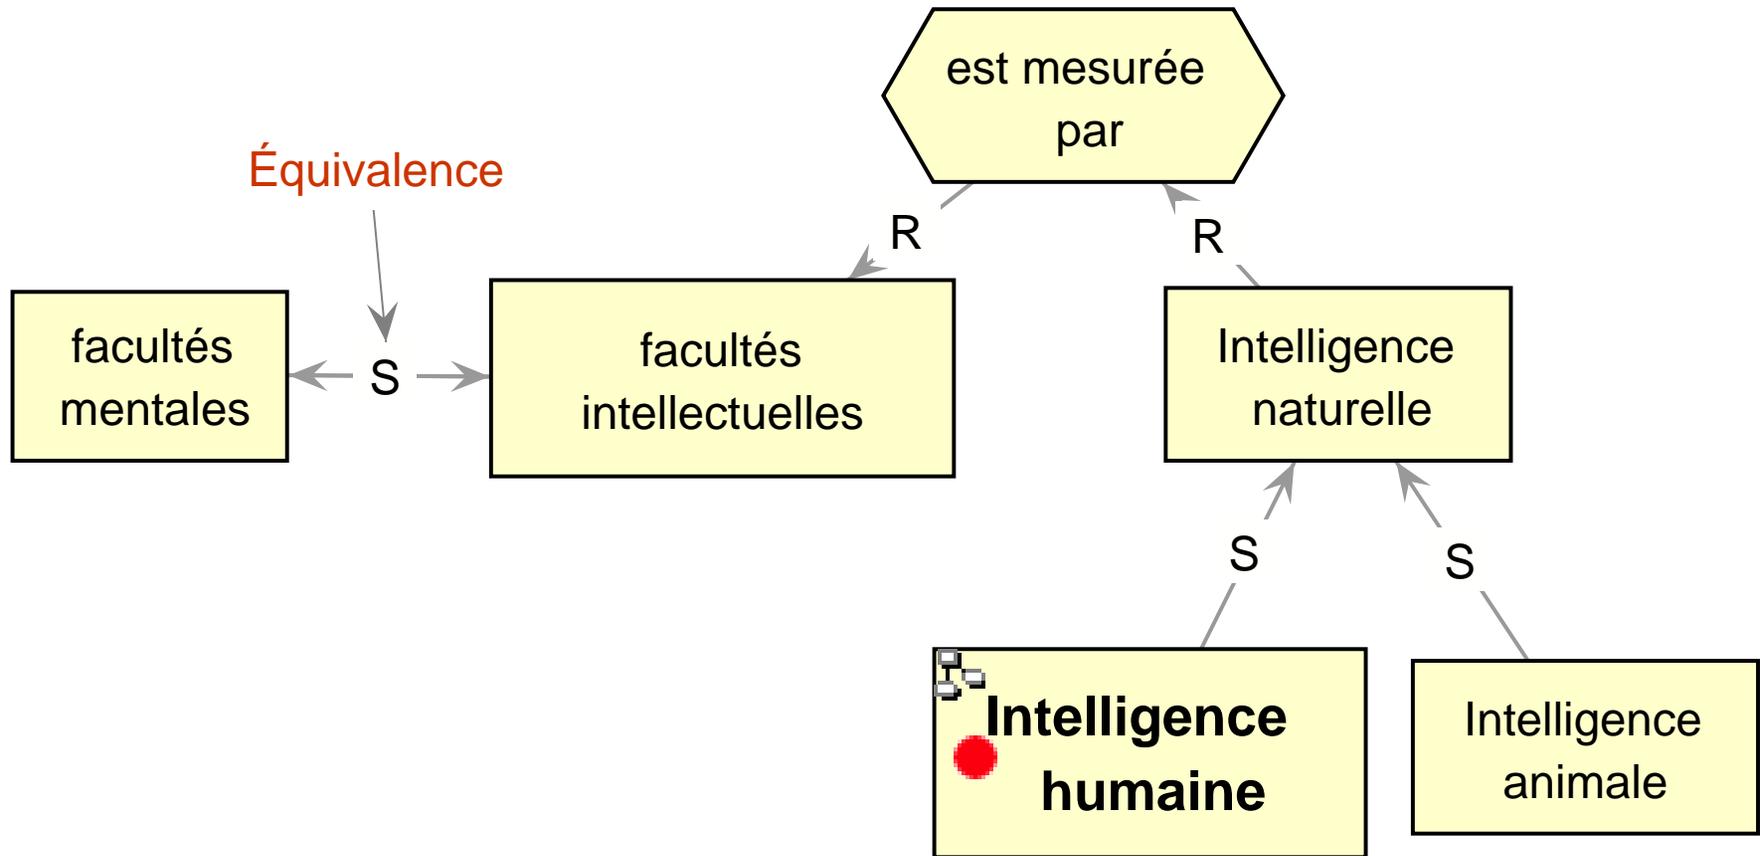

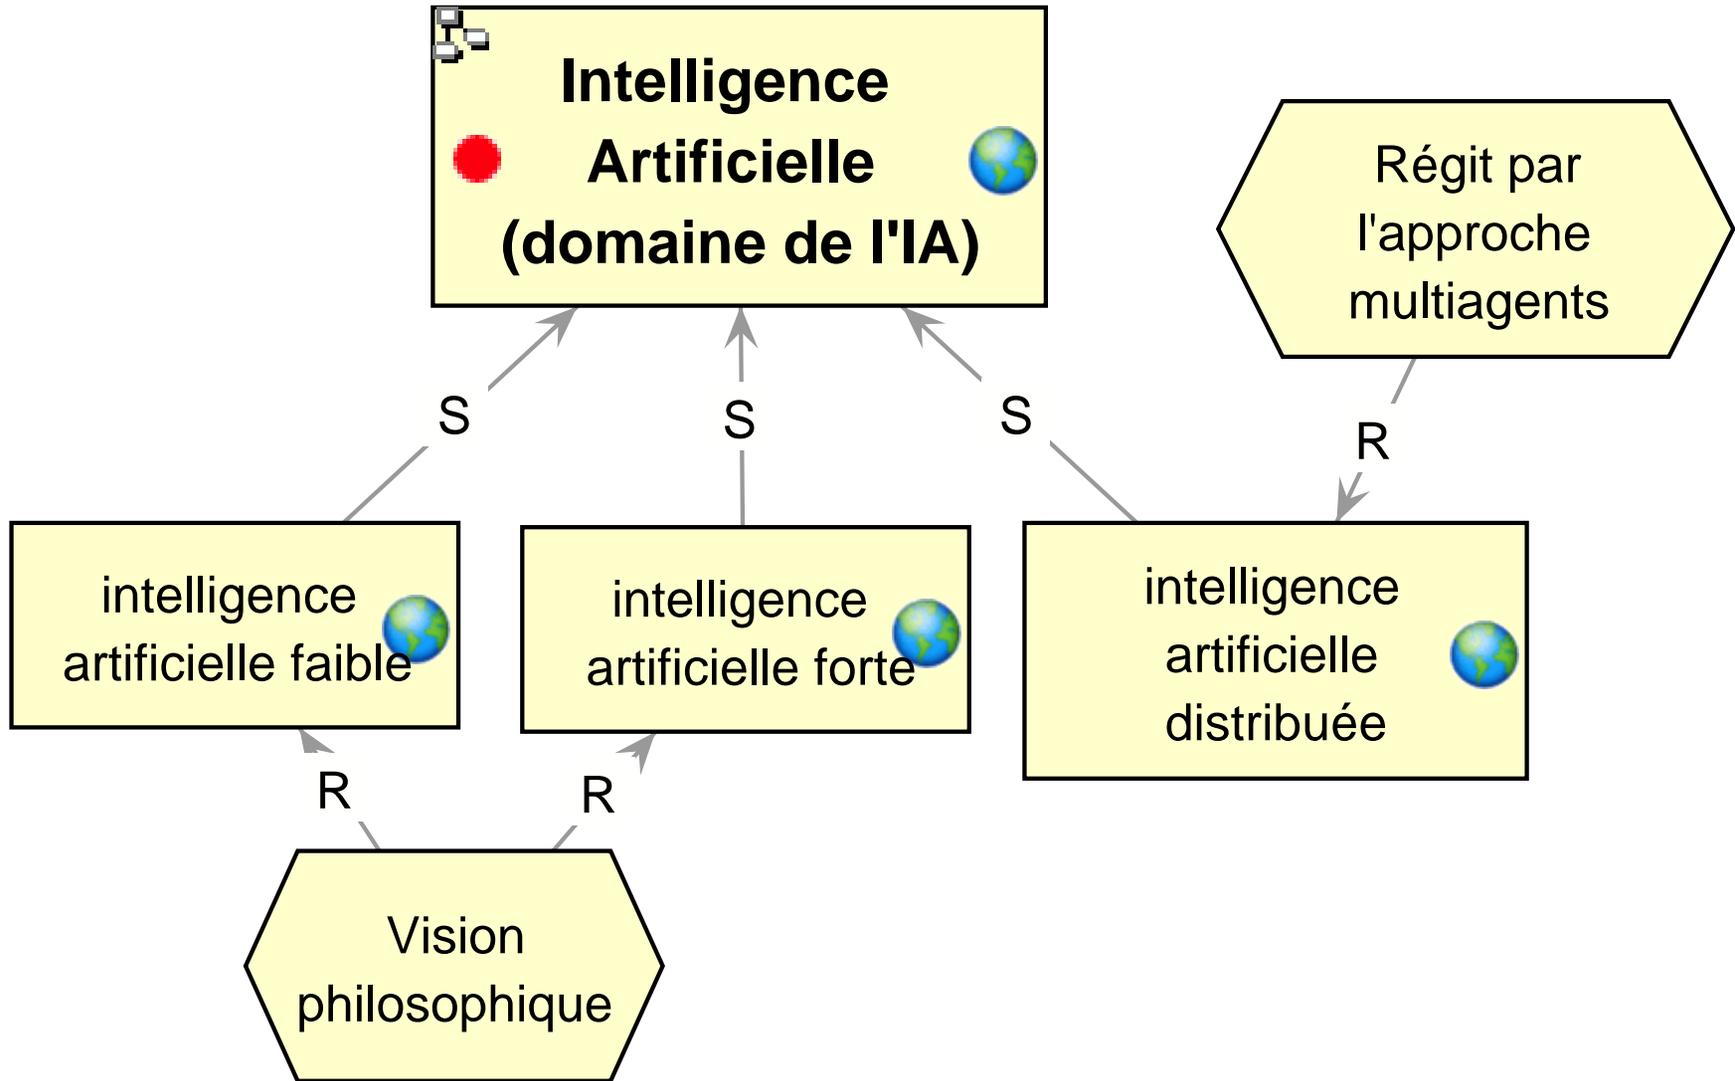

## Table des matières

Domaine de l'IA-vf1.....	1
Systèmes d'intelligence artificielle.....	2
systèmes à base de connaissances (SBC).....	3
systèmes experts.....	4
systèmes de représentation.....	5
hypothèses de base.....	6
connaissances.....	7
données.....	8
traiter les informations.....	9
Méthodes d'IA.....	10
Règles méthodologiques variées.....	11
agent intelligent.....	12
environnement.....	13
réseaux de neurones artificiels (RNA).....	14
neurone artificiel.....	15
couche de neurones.....	16
Applications IA.....	17
apprentissage.....	18
Programmes informatiques.....	19
Algorithme.....	20
Fonction.....	21
raisonnement.....	22
